## THE SABRE TALES

The new Saint Brendan High Alumni Association (SBHAA) is all about reconnecting you to Saint Brendan High while benefiting future generations of Sabres to come. There are a few special legacies that stand out at St. B. First, the school boasts about a 1/3 ratio of alumni faculty. Second, we are beginning to see the sons and daughters of alumni come to school at our Alma Mater. With this in mind, a group of alumni, teachers, faculty and staff joined forces and founded the St. Brendan High Alumni Association to ensure that the legacy is carried on.

The Alumni Association is still in its beginning stages. We need your support and involvement to truly make this a valuable organization for St. Brendan, its alumni, students, and faculty. For alumni who have graduated within the last five years from St. Brendan High, Alumni Association membership will be free of charge. We ask only that you fill out the form below and keep your information updated. We encourage all other alumni to become annual members. The annual dues are \$25 a year, or you can become lifetime members for a one-time contribution of \$500. However, to commemorate the Alumni Association's launch and the 30th Anniversary of St. Brendan (2005-2006), we are offering a one-time opportunity for you to become a lifetime member for \$250. Furthermore, if you submit your lifetime dues by June 1st, 2005, you will be recognized as a "Founding Member" of the SBHAA. This will be a permanent honor and your name and class year will be listed on our website as well as on a plaque that will always hang in the school's entrance. We ask for your support to ensure the legacy of the green and white.
